

United Fresh LIVE!

Community – Collaboration – Innovation

Going Live Week of June 15, 2020

United Fresh LIVE! is a response to an unprecedented challenge to our industry and our world.

Bronze Sponsorship Opportunities

Thank you so much to our Bronze sponsors! You are among the largest supporters of United Fresh LIVE! And, that means you are supporting ALL of the good work United Fresh Produce Association is able to do for our produce industry. Without you, we could not deliver the value that we've been bringing every day through the current crisis. So – thank you!

As a Bronze Sponsor, we want to make your United Fresh LIVE! experience deliver a real ROI for you and your company. Would you please review the following options available to you as part of your sponsorship, and let us what you would like to include.

Ability to create a unique, personalized background for your online booth. In a simple process, you can create a photoshop image that we will have our service provider upload as the backdrop for your booth. When attendees click on you booth, they'll enter into an entirely branded booth space unlike any other on the platform.

- Yes, I would like to create a background image for my booth.
- No, I am happy to choose one of the three available booth templates.

Company description and logo included in our Pre-Show Guide to be distributed in May.

- Yes, I would like to include a description and logo.
- No, we will pass on this opportunity.

Recognition in a special Sponsor Recognition email delivered during the week of June 8-12 to all users registered on United Fresh LIVE!

- Yes, please add my logo in the sponsor recognition email June 8-12.
- No, we will pass on this opportunity.

In addition to all of these options, our Bronze sponsors will be listed on our United Fresh LIVE! pre-registration website from now through the show going live June 15. After the LIVE! event that week, you'll continue to be recognized on the LIVE! website throughout the summer until September 1.

Thank you again for your support!
