COMMUNITY – COLLABORATION – INNOVATION

WEEK OF JUNE 15, 2020

FEATURED PRODUCTS SHOWCASE

4EARTH FARMS

Featuring 4Earth's full line of organic fresh veggies, including our organic French Beans, Brussels sprouts, green beans, sugar snap peas, mini sweet peppers, zucchini and colored bell peppers. 4Earth farms...excellence in organics.

AMERICAN PACKAGING CORPORATION

American Packaging is a leading provider of hermetic and modified atmosphere (MAP) packaging to the Fresh Cut industry for leafy greens, sliced fruits, and tray lidding, and proud supporter of United Fresh!

ATLAS PACIFIC ENGINEERING

The Atlas Pacific Robotic Apple Orienter (RAO) utilizes patented pose estimation software to orient odd shaped apples. Oblong varieties once posed significant challenges for mechanical orienting devices, but today, the RAO provides a cutting edge solution.

BAY BABY PRODUCE/AMF FARMS, INC.

What's NEW at Bay Baby Produce? Direct to Consumer Boxes! 2 Stock Options: Organic Squash Mix and Ornamental. These boxes are grab & go ready for Fall Harvest decorating & baking! Order TODAY!

BEDFORD INDUSTRIES

Bedford's Closet® Flag brings additional marketing and branding space to an ordinary bag closure. Offering customizable shapes and high quality printed options to run on our semi-automatic equipment.

BOLTHOUSE

Bolthouse Farms Plant-Based Protein Keto Beverages, Plant-Based Premium Refrigerated Dressings and our line of beverages designed to help support immune health: Bolthouse Farms BOLTS, Family-Sized C-Boost and Green Goodness.

BONDUELLE FRESH AMERICAS, HOME OF READY PAC

Ready Pac Bistro Chicken Caesar Salad is our #1 Best Selling Salad! It's a classic favorite that consumers look to for every day stock up.

BOWERY FARMING

Bowery's lettuces and herbs are picked at the peak of freshness. Butterhead lettuce is sweet with a buttery flavor and smooth in texture.

BRIGHT FARMS

After the monumental success of BrightFarms' SUNNY CRUNCH lettuce, we've added two new items to complete the CRUNCH family. Consumers will love the light, crispy and refreshing taste of our Triple Crunch items!

CALIFORNIA GIANT BERRY FARMS

Growing from a small local strawberry shipper to an international berry company, our mission and values remain the same. Regardless of where our berries are grown, California Giant has the same passion for our people, our product, our planet!

CHELAN FRESH

Rockit™ Apples are not typical apples, and we don't consider them to be. They're the first deliciously sweet apple that's naturally grown to be the perfect size for kids and the kid in everyone.

FEATURED PRODUCTS SHOWCASE

CHIQUITA

At Chiquita, Conventional bananas are sustainably produced and meet the Class Extra standard while most of the market is not Class Extra. This is one of the reasons while consumers prefer Chiquita bananas, in a recent independent survey, people indicated that they prefer the taste of Chiquita bananas by more than 2 to 1 over the next leading brand. Class Extra bananas are synonymous to superior quality fruit because this quality standard has stricter tolerance of defects. They come from the upper part of the stem because of their good size fruit and excellent ripening attributes.

COOSEMANS DC INC.

Fresh Specialty, Ethnic, Tropical product as well as Fresh Herbs package in many different offerings. Our value added line inclusive of Over Wrap Vegetable Trays, Fresh Herbs, Dried Fruit and Mushrooms, Meal Solution Kits as well as presently working on an Immunity Kit.

CRUNCH PAK

Introducing cold-pressed juice. This 100% all-natural juice is selected with the finest ingredients to ensure quality, flavor, and nutrients in every sip. Kids love the fun, high-graphic artwork and parents love the nutrition inside the box. No preservatives, no added sugar, and no artificial colors or flavors. Visit our booth for more information!

DEL MONTE FRESH PRODUCE N.A., INC.

Our Homestyle Guacamole is available in four different unique and delicious flavors! The chunky guacamole is made from Fresh Hass Avocados and is offered in 8oz trays with resealable lids and 2oz Snack 4-Pack.

DEVILLE TECHNOLOGIES INC

The Tridis 180 is specifically designed to optimize performance: The innovative cutting technology offers higher capacity and precise cut quality over a variety of soft and hard products.

DOMEX SUPERFRESH GROWERS

Autumn Glory® is a unique variety of apple grown and marketed exclusively by Domex Superfresh Growers®. Autumn Glory apples have a sweet, firm flesh with a subtle "cinnamon" flavor.

DRISCOLL'S

Just in time for Summer, we're delighted to share our line of Limited Edition- Sweetest Batch-Strawberries, Blackberries, Raspberries and Blueberries.

EMERSON

The newest addition to Emerson's full suite of tracker products, the GO Real-Time 4G/Cat-M Tracker helps ensure access to critical cold chain data in a dynamic and changing cellular landscape.

FOX PACKAGING/FOX SOLUTIONS

Fox Solution's Pouch Bagger is designed with efficiency and compatibility in mind. Its unique design reduces product overfill with precision weighing and automatic bagging and can be integrated into existing equipment lines.

GLEESON CONSTRUCTORS & ENGINEERS, LLC

Construction- Engineering-Design (architectural, refrigeration, vapor barrier, civil and site, mechanical, value, structural, electrical, process), Facility Layout and planning, Product Flow Evaluation, scheduling and estimating.

FEATURED PRODUCTS SHOWCASE

GRIMMWAY ENTERPRISES, INC.

Organic rainbow carrot chips combine convenience with character to offer snack-sized bites in a kaleidoscope of colors and are the perfect match for your favorite dips.

HEAT AND CONTROL, INC.

For wet leafy greens, the CCW-RV-214W-1S/70-WP with optional Rotary Sweeper eliminates manual product distribution and improves weigher efficiency (includes a 35° sloped vibratory dispersion table with rotary sweeping fingers).

KWIK LOK

Introducing the Eco-Lok. Eco-Lok is one piece of an industry-wide opportunity for responsible environmental stewardship. The sustainability your customers expect meets with the Kwik Lok performance that has set the standard in the bag closure industry for decades.

The proprietary technology from BioLogiQ used to make Eco-Lok converts plant-based carbohydrates, such as corn and potatoes, into the NuPlastiQ® material that is manufactured into Eco-Lok bag closures. Using a 100% natural, renewably sourced plant-based resin that requires less fuel to manufacture, NuPlastiQ® helps reduce greenhouse gas emissions and overall material use. They are completely interchangeable with our previous closures and compatible with your existing Kwik Lok machinery.

LAKESIDE PRODUCE

Tomatoes on The Vine and Cocktail on The Vine. Lakeside is committed to operating mindfully, with extra care ingrained in everything we do – from our products to our packaging. Not only is this packaging plastic-free, but our tomatoes were grown with recycled water and pollinated naturally with bees. It's just one of the many ways we continue to grow with care.

LITEHOUSE, INC.

Litehouse Homestyle Ranch, voted #1 best tasting ranch by consumers!

MASTRONARDI PRODUCE

Take your taste buds to a tropical paradise! Aloha™ striped peppers are as colorful as they are flavorful so you can create beautiful island-inspired dishes, any time of the year.

MUCCI FARMS

Mucci Farms' Blended Flavours™ tomatoes are now available in an innovative paper top seal format, making the entire package 100% recyclable!

MULTIVAC, INC.

MULTIVAC and Yamato Corp have partnered to create a start to finish, automated, fully-integrated leafy greens traysealing line to maximize output, while reducing the number of suppliers and points of contact.

NATURESWEET, LTD

Our NatureSweet® D'VINES™ are kept on the vine to give them time to ripen naturally and deliver that sweet taste you would expect from your backyard garden only delivered year-round.

NATURIBE FARMS

Healthy, convenient, indulgent, Naturipe Snacks' Bliss Bento combines fresh-picked fruit with delicious specialty ingredients in one portable package. A treat that nourishes and satisfies with flavor, fiber and Vitamin C.
