

U.S. SENATE

I urge you to...

Immigration Reform

...work with our industry to pass legislation that provides an effective solution for our labor crisis - one that creates a viable guest worker program and transitions current ag workers who are falsely documented to legal status under appropriate conditions. Share support for House-passed legislation Farm Workforce Modernization Act.

Infrastructure

...support comprehensive investment in infrastructure. We supported the Infrastructure Investment and Jobs Act that recently passed in Senate. **Check member profile or click here to see how they voted.**

If Senator voted YES – thank them for their support and reiterate why roads, bridges, disaster assistance related to climate change, western water issues, ports/waterways, and/or rural broadband access impact your business.

If Senator voted NO – respectfully share how infrastructure improvements (roads, bridges, disaster assistance related to climate change, western water issues, ports/waterways, and rural broadband access impact your business).

Nutrition

...maintain the increase in the fruit and vegetable benefit in WIC through the Continuing Resolution. Without funding, kids' monthly benefit for produce will drop from \$35 a month to just \$9.

U.S. HOUSE OF REPRESENTATIVES

I urge you to...

Immigration Reform

...while the Farm Workforce Modernization Act that passed the House earlier this year is not perfect, we appreciate the process moving forward. Our industry must have effective solution for our labor crisis – as you work with your colleagues in the U.S. Senate please amplify our need for a viable guest worker program.

Check member profile or [click here](#) to see how they voted. If representative voted yes, make sure to thank them.

Infrastructure

...we support the infrastructure package being voted on in the House later this month. Please vote yes! There are minor changes we would like to see in the U.S. House version including: inclusion of the Flexible Hours of Service rules and aid in recruiting new drivers to address the labor challenges that are impacting the delivery of fresh produce.

Nutrition

...cosponsor the Fresh Produce Procurement Reform Act that will create a mechanism for USDA to partner with the existing fresh produce supply chain to procure and deliver fresh fruits and vegetables to those in need.

... maintain the increase in the fruit and vegetable benefit in WIC through the Continuing Resolution. Without funding, kids' monthly benefit will drop from \$35 to \$9/month.
